

LB Bill Timeline and Process

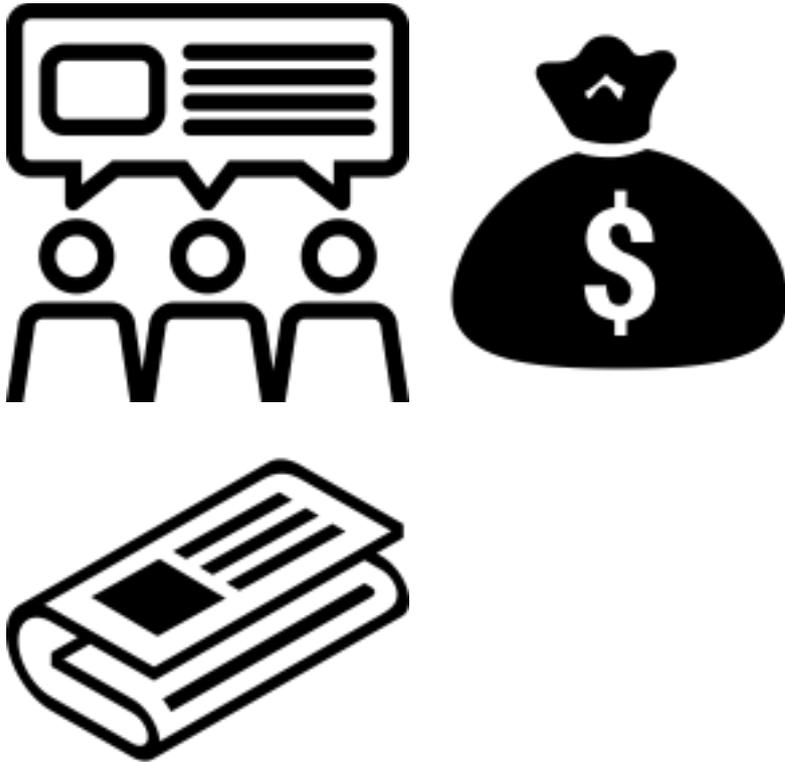

This document outlines the steps we need to undertake to try and get the LB Bill into law. You can get more information on our website <http://www.lbill.wordpress.com>

September and October 2014

Steve will have a go at writing some words for the LB Bill, including what people have shared with him so far.

14 October 2014

A small group of people involved with LB Bill and JusticeforLB have been invited to a meeting called the All Party Parliamentary Group on Disability.

This is where politicians and people involved in making policy about disability come together.

We will launch our first draft of the LB Bill there.

Some people have asked us how they can give us money to help with the LB Bill campaign. You will be able to do that after 14 October.

We also hope that some newspapers and websites will want to talk to us about the LB Bill.

November and December 2014

This is when we need people to meet up and discuss what they think of the LB Bill that we have written.

We will provide questions to help your thinking.

You may wish to think alone, or you may wish to meet in a group.

You can talk about the LB Bill anywhere you like, the more people who talk about it the better.

Once you have decided on what you think then you need to let us know what you agree with and what you disagree with.

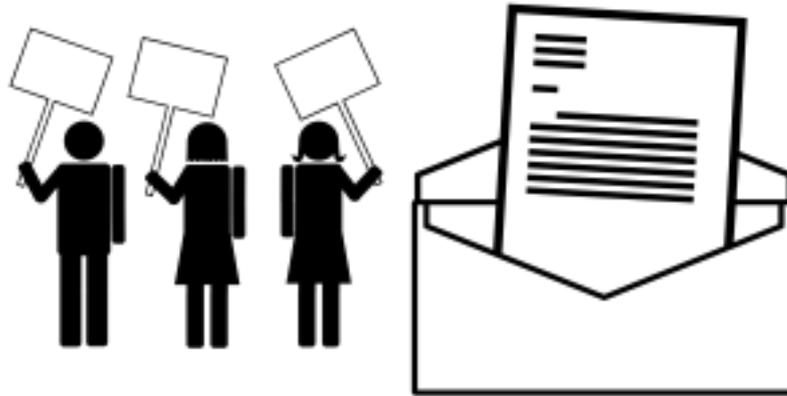

We will let you know how to tell us, closer to the time.

January 2015

Steve and some helpers will look at everyone's comments and have another go at writing the LB Bill.

February, March and April 2015

At this point we need you to contact your local Member of Parliament (MP).

They represent your views and we need to make sure they know about the LB Bill.

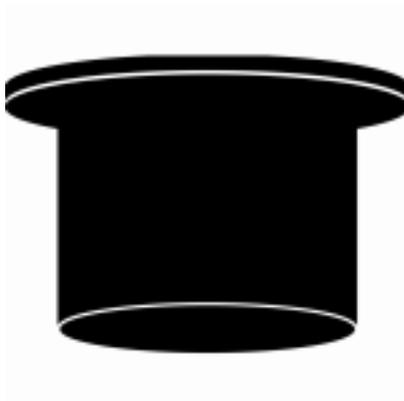

7 May 2015

We all have a vote to choose who should run the country. The votes are collected at the General Election on 7 May 2015.

If someone asks you to vote for them, ask them what they think about LB's Bill and make sure they know about it.

June 2015

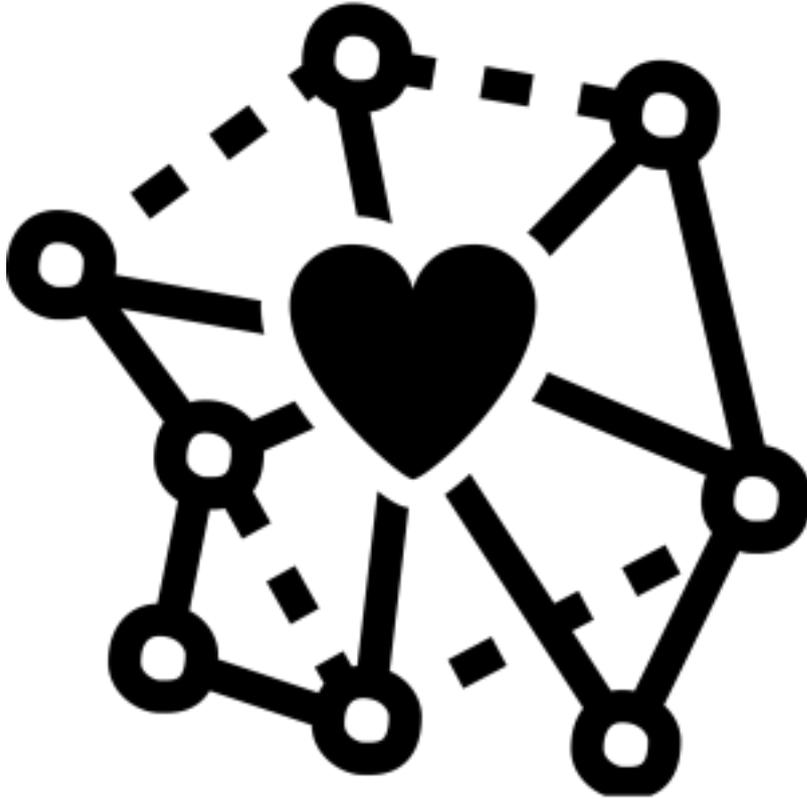

We need as many MPs as we can get to support LB's Bill. Every MP's name is put into a hat.

Twenty names are pulled out the hat.

If one of those is an MP who supports LB Bill, they can ask to change the law.

Help us

If we work together we will hopefully be able to change the law, in memory of LB.
